

CONCRETE FORMING

Training Opportunity

Are you interested in a career in construction? PATTC is offering a **FREE** six-week **Introduction to Concrete Forming** course, starting on **Monday, September 10, 2018**

This course is EI eligible for those who qualify - and best of all, there is **NO TUITION OR BOOK FEES!**

An *information session* and tour of the facility will be held at 87 Cole Avenue on **Tuesday, August 28, 2018 @ 2:00 pm**
Interested friends and family welcome

For more information, please phone Sabrina at 204-661-7071 or apply by emailing a recent resume to: ssnyder@myparc.ca

REMEMBER

The class starts September 10, 2018 so apply right away, spaces are limited!

This is a serious course for people who would like to prepare for high earning jobs in construction. In addition to concrete formwork knowledge, you will also receive industry recognized safety training.
